# 1. MA; 26 APR 09 Dedham to Boston, Safety Monitoring

LAST MINUTE NEED

I know this is very short notice, but more hams are needed for the Run of the Charles canoe races Sunday, 26 April 2009. There are critical safety issues which need our communications, and I would like to have your help. I have only recently taken over the coordination for this event, and a number of hams who previously volunteered are not available that day.

The races are on the Charles River in areas from Needham/Dedham to Brighton (Boston). There are numerous dams on the river which the canoes must portage around. Our assignments are primarily at these dams (with other volunteers) for safety monitoring. Some assignments begin as early as 0700; others begin up to 1200. Most assignments last about four to five hours, but there are only a few which run the full day until 1630.

A 2-meter, 5 watt hand-held is satisfactory. A dual-band radio is desirable, but not required. An antenna better than the "rubber duck" that came with the radio is essential because the riverside locations may make communications difficult. Be sure to have sufficient batteries to last the day. I will furnish you with assignments, more details, and instructions as soon as you reply.

If you can help for this event, please respond with the following information as soon as possible. If you already volunteered for this event please reply to this email. To manage this I ask that you get back to me as quickly and as accurately as you can. As in all other events that we coordinate, email will be the primary means of communication between us.

Full name

On-air name

Call sign

Postal mailing address (including 9-digit ZIPcode)

Evening phone

Day phone

Cell phone

Email address

Does your 2-meter radio have CTCSS (PL)?

Do you have a dual-band radio?

Do you have a magnetic mount antenna?

T-shirt size

If you have any preferences, let me know, but note that all preferences cannot be granted. Try to get back to me as quickly as you can.

73,

Tom Bertolino, KB1OKP

## 2. Boston Walk for Hunger

Yahoo group: PublicServiceEvents

From: John Mahon
Topic: 2  Message: 2

Assignments have been issued and final preparations should be underway for a cool wet walk. It would be useful to print a few Ambulance/Incident reports to have on hand, Research your local emergency numbers to also have on hand so you can make contact with the community your checkpoint is located in. Initiating a 911 call from a cell phone will route the call through the State Police in Framingham, wasting a lot of valuable time in an emergency. Giving local authorities your call back number may be utilized by emergency crews having trouble locating you and the emergency.

Dress appropriately, pack a lunch, reading material (This months QST just arrived) and I am confident most of us will have a few extra pieces of equipment.

As always remain vigilant.

See ya Sunday
John, n1pyn

Bridge of Flower Classic Races
Saturday August 8, 2009
All Day
Location: Shelburne Fall, MA

Notes:
The FCARC & the F-Co ARES are looking for Amateur radio support for the 31st Annual Bridge of Flower Classic Races Saturday August 8 2009. We are in need of around 18 to 25 operators and yes the more we have the easer it is for all. Please note they have jump from 400 runners to 1200 runners.

Here is the break down on the event:
: Event set-up starts at 6.00am. Net control will be setting up on Baker Ave off of Bridge St down town Shelburne Fall, MA
: Amateur radio operators will need to start showing up at or before 7.00 am. This is so you can receive your briefing on the event and have the time you need to drive to your post. Please note some of the roads will be closed by 7.30 am to in coming traffic.
: The first races starts at 8.20am and the sec race starts at 9.00am. We should be done around 1.00 pm.
: Talk-in will be on the KB1BSS repeater 146.985 ? off set with a PL of 135.6. The event will be on simplex 147.435 or 146.550.

Station locations:
: You can work from your car or bring a chair to seat on.
: HT or Mobile or both. Head set are nice because of the noise.
: You should have some things to write with.
: You should bring you're own water and a snack, and they will have a small lunch after the race.

I will give you the web site for the directions and maps and so on. Please note the maps we have are different then the ones on the web site http://www.bridgeofflowers10k.com/

From I- 91 North or South take ext 26 then take Rt 2 West on head for Shelburne Fall, MA. Then turn left on to S Maple St then turn Left on to Bridge St then turn right on to main St. Then turn a fast left in to the parking lot net control will be in the alley way.

You can also go to the web page and click on to directions and this will help you with map quest.

Thank you for your support.

## 30. Lakeville Triathlon

Yahoo group: PublicServiceEvents
Date: 2009-08-09 22:04:36 UTC
From: John Mahon
Topic: 30  Message: 30

Hi Everybody,

We're 3 weeks away from the Cranberry Trifest and we need quite a few Ham Radio volunteers for this event. This is a 2 day event on August 29th & 30th. Please consider volunteering your time for this fun event. Each day's race should be finished up early enough that you can get home in time for supper. I can be reached directly at n1joy@..., or any time on my cell phone at: (617)-839-9081. The after race food is always great, and we get a free event T-Shirt too.

The HAMCOW will be our net control station, APRS will be used for tracking the lead racers, and we need operators all along the running and bicycle courses to provide communications at the water stops and check points. I will be setting up the HAMCOW the night before the event (Friday Aug. 28th) and several of us will be camping over the weekend at the site. Please consider joining us for the over night stay as we will have plenty of room for a few tents.

If you are interested in volunteering, please RSVP and let me know which day(s) and I will add you to my list of volunteers.

Thanks!!

Roland - N1JOY

*********
From the event organizers:

You've probably heard of the Cranberry Country Triathlon... a beautiful venue, great course and fabulous post race BBQ. This year we've decided to add a sprint distance triathlon and a kids duathlon to the same weekend so that you can include your family in one of the most popular races in New England. We're calling it Cranberry Trifest and we want you to be a part of it. Read on for details, but the essentials are:

* *WHEN*: August 29th and 30th
* *WHERE*: The Ted Williams Camp in Lakeville, MA (42 miles south of Boston)
* *WHAT*: Sprint tri (9:00AM) and kids duathlon (12PM) on Saturday, August 29th; Olympic distance tri (8AM) on Sunday, August 30th
* *TO REGISTER*: Click here

<http://rs6.net/tn.jsp?et=1102637675626&s=12402&e=001fUz9yMBUy7PgIMusduj-AcicTtzFDZxMly7n8bzFYc7ztaxzrdB8gHXMNC2Q1s0CU8lu3ywok_Cz3ITd4TRnQMqQWVFCHCOFLzHhOURva0UAn3rkJVwAoQMQmI5S-Ax1YGvXjVF3nIDM5mfGGwozHzYXyNi03cBLgZZMDZ4ytaUm4uUCzsh3awlqGDs0T9V-9GnRklmgviGwUang79ceTtLlTPiiD1WadvpOcppqaU=>
for the sprint or Olympic and click here

<http://rs6.net/tn.jsp?et=1102637675626&s=12402&e=001fUz9yMBUy7NdkBNU2L4Lh60xlbzSdLaKE_1ZKxPdoxgwK87Nf68zd5sgcO_huijVQ7ZrdL7cuwBWSLSvnbZs7jCj07GzLHEmwzD2ea8CBVxv4aBsy8Bvlcapn2HI0nM1Yql1FPIDKroj-t_Uszc1FwKdKxUf6YeCWV07MejtEs3ut3P_onGbUQb6mdKh4f_zfPsVsHaHaOkUKKWOf672g0d8BewA8GXTSP9G9Cxwv_g=>
to register for the kids duathlon (age 7-14). Take note... the /sprint and Olympic are both expected to sell out!/

Cranberry Trifest will be the most ambitious weekend of racing we've ever offered and we're excited to bring it to you. In addition to three great races you'll also find a festive atmosphere with a DJ, live music (on Sunday), valuable giveaways, and food and refreshments after all races. Cranberry Trifest 2009 will feature a vendor expo on both days, the USAT Northeast Regional Club Championship, a matchup of collegiate clubs, performance awards for the fastest swim, bike and run splits and the crowning of the inaugural King and Queen of Cranberry Trifest.

Excited to race? Consider registering for the Cranberry sprint or Olympic as part of the American Cancer Society's Charity Runner Program, the official charity of Cranberry Trifest 2009. The Charity Runner program allows you to make your miles more meaningful by dedicating your efforts to the fight against cancer. Click here

# 34. Canal Walk

Yahoo group: PublicServiceEvents
Date: 2009-08-15 12:50:32 UTC
From: John Mahon
Topic: 34  Message: 34

PSE just received an urgent request for assistance with the following event.

There is a walk being held along the canal. We are looking for anyone who can help. This is to Support our troops.

If you or your wife/kids want to assist in anyway, please come down to the Railroad Bridge in Buzzards Bay by 8:00am Walk starts at 9am. I am planning on riding my bike along the route.

Handheld and mobile units who can sit at predesignated spots are needed.

There will be water stops/check points every mile.. the canal is 7 miles long... so we will need as much help as possible. I would like to see anyone else with a bicycle.

This is the best info I can tell you. David V. from the Barnstable County Cert Team is the Liaison for this event. He wanted me to get as many volunteers as possible, but this was the first chance I could get this out

Thanks

Joe Reynolds

Aids Ride
Saturday September 12, 2009
12:00 pm - 1:00 pm

Notes:
I am EJ Mandigo, the Communications and Emergency Services Coordinator for various AIDS Rides. The ride that used to go from Pittsfield to Boston, merged a few years back with the Harbor to the Bay AIDS Ride, and now goes from Boston to Provincetown, MA. The date of this event is Saturday, Sept, 12, 2009.

I realize it is late, but I still need several more hams, especially for each of the six pit stops along the route. Of greatest need would be four hams to cover between Boston and the Sagamore Bridge which is the lunch stop. Then either the same hams to leap frog ahead, or four more to cover the pit stops after the bridge and into Provincetown.

I have five emergency vehicles with radio operators, EMTs/First Responders/Paramedics and Navigators. The primary need is for communications support at the pit stops in case there are any emergencies there. I know from years past that several of these have spotty cell phone reception!

The ride starts very early Saturday morning at the break of dawn, and goes all the way into Provincetown where there is a huge closing ceremony and an amazing dinner, drinks and music for everyone involved. The following morning, on Sunday, ?Bayside Betsie?s? provides us with the most amazing breakfast you have ever had!

The website for the ride is <www.harbortothebay.org>. If you have any questions please contact me at the information below. I look forward to hearing from you and I hope to see you in September.

Emergnecy Communications Night
Monday March 1, 2010
7:00 pm - 10:00 pm
Location: EMa EmComm Night

Notes:
The monthly EmComm night for March, 2010 is Monday the first. ARES and RACES will be conducting their respective nets (RACES net times vary by regional sectors) Region 2 nets start at 1900 local. Please note that Sector 2A is experimenting with the 147.000 (67.0) repeater in Dartmouth. You can find your local RACES net here:

http://ares.ema.arrl.org/node/439

The ARES net starts at 8:30 PM on the MMRA Repeater system. This is after the RACES Nets earlier in the evening. For frequencies that will be linked into the ARES Net on the MMRA Network, please see the following link from the MMRA web site and the repeaters that will be linked in will be through Hub 1:

http://www.mmra.org/repeaters/map.html

In addition, if the Echo-IRLP node on the MMRA hub is available, we will likely link that to the New England Reflector system on IRLP 9123/Echolink Conference *NEW-ENG* Node: 9123.

As I sit here in one of the final BAA Organizing Committee meetings and continuing to review the volunteer numbers for this year, we have openings still available on the finish line.

If you or anyone you know that has a ham radio license would still like to volunteer please go to the following link:

At this time I can use about a dozen more hams.

For those of you that have already signed up thank you. Assignments will be coming out in about two weeks.

BAA 5K
Sunday April 18, 2010
All Day
Location: MA Bostons Back BAy

Notes:
The BAA 5K & 1 Mile Races start and finish in Boston?s Back Bay. After a lap through downtown, several laps will be repeated in Boston and Cambridge, ending at the finish line of the Boston Marathon. Note that this is the day before the Boston Marathon, but no logistical interference is expected between these events. Ham communications will be independent.

# 84. ALS event has never used ham radio

Yahoo group: PublicServiceEvents
Date: 2010-06-07 03:40:17 UTC
From: n1pyn
Topic: 84  Message: 84

We are looking for ham radio operators for the 16th annual "Positive spin for ALS" charity bike tour on June 13th. The cyclists will start and finish at the Longfellow Club in Wayland, MA. Ham radio operators are needed for 4 rest stops, 4 intersections, as well as 8 route support and guidance (SAG) vehicles for the 75, 50, 25 and 10 mile routes (16 Operators). Please join us in providing a safe and successful ride for the hundreds of cyclists hoping to create a world without ALS.

This event has not utilized ham radio so I hope that you can help us out to make this another successful amateur radio event.

Thank you,
John, n1pyn

Groton Road Race
Sunday April 10, 2011
8:00 am - 8:00 pm
(The next reminder for this event will be sent in 13 days, 11 hours, 58 minutes.)
Location: MA- Groton

Notes:
Greetings fellow Groton Road Race veterans. If you're tired of
this winter and looking forward to spring activities, allow me to
turn your thoughts to the Groton Road Race. This year the race
is being held two weeks earlier than previous years -- the event
organizers must be optimistic about a change of weather. I sure
hope they've called this one correctly! Spring will be here by
Sunday April 10 (think positively, think positively, think ...).

As you know from previous years our radio communications is held
by the Groton Police Department to be a vital component of this
event. Amateur Radio support of the Groton Road Race is one of
the best public relations activities we can do for Amateur Radio
locally.

I am again looking for 40 volunteers. Please let me know if
you're available this year to help on April 10. If you'd have
a preference for station, please let me know.

The greatest number of operators are needed on station at 12:30
for the 10k race. If you are available to be on station at
11:30 for the 5k or 9:15 for race official shadows, parking,
and other logistics, please let me know that too.

If you need a refresher on how much fun this event is, take
a look at our 2003 [1] and 2006 [2] photo collections.

From: n1pyn
Topic: 142  Message: 142

This is an urgent request for your help. I know this is short notice, but we need Hams to support this event. I am asking you to consider volunteering for the Positive spin on ALS MA Chapter charity Bike Ride, Sunday, June 12 starting in Wayland. We really do need your help.

The positive spin on ALS consists of 4 routes starting and finishing at the Longfellow Club, Wayland, MA, that consist of a 70 Mile, 50 Mile, 25 Mile and 10 Mile routes. Your help is needed to ensure the direction and safety of the riders. If you have any question about this Amateur Public Service event please contact me right away.

Please take a moment to forward this request to anyone and everyone you know who may consider this event. If you can help with this event, please reply to n1pyn@... or n1pyn@...

We really do need your help.

Thank you,
John ☐n1pyn

CQ, CQ, CQ, N1HLG....

Do not weep when I am gone, I am not gone forever, long -
For when we all, will gather there - There'll be abundant room to spare - For amateurs who, in the past - Made friendships to forever last.
For in the ether, way up high, Such signals will forever fly,
And when the end on earth is nigh, I'll QSY into the sky,
So that, my friends I'll always keep - In spite of endless, earthly sleep.
So hasten not to do all things - On earth, with hurried earthly wings, There will be time to do much more - In heavenly state, in heavenly lore, Where QRM is never feared And heterodynes are seldom heard.
The songs of angels, ever sung On high, on some etheric rung,
Will modulate transmissions so - That ether winds will always blow -
Up to those aerials on high, For those who once on earth did fly.
This will be clear for all to see, whence from this earth, we are set free. Those earthly signals which were passed, Made friendships which forever last, For radio waves must surely be - Forever, in eternity.

John was a member and former president of the Green Mountain Wireless Society, and a member of the American Radio Relay League.

73 my friend, we will miss you.

Greetings!This is for Boston, MA area hams. It is time for Round two. I would like to thank those that signed up already, but we still need more help.

We are now looking for help for this year's Project Bread Walk for Hunger on Sunday, May 6, 2012.

This will be the 44th running of the event. We need people to provide communications support for the Project Bread Staff and volunteers along the 20 mile walk.

If you are interested in helping out this year, go to http://www.mmra.org/wfh/ to log in and fill out the signup form.

If you have questions please send an email to: wfh12@...

# 168. Best Buddies Ride

Yahoo group: PublicServiceEvents
Date: 2012-04-02 02:40:38 UTC
From: n1pyn
Topic: 168  Message: 168

The Best Buddies International is looking to recruit Ham radio operators to volunteer for the thirteenth annual Audi Best Buddies Challenge: Hyannis Port on Saturday, June 2, 2012.

Best Buddies Challenge: Hyannis Port consist of three bicycle rides; 100, 50, or 20-mile which wind through the New England countryside. The 100 mile ride goes from Boston to Hyannis Port, MA. The 50 and 20-mile routes are contained within the 100 route.

Assignments will be at five rest stops, in six sweep and recovery vans, and at Craigville Beach finish area in Hyannis Port. This is an all-day event; the 100 mile ride starts at 0730 and the route closes at 1630. Some assignments will start at 0630 depending on the assignment.

Due to the length of the route a mobile radio is preferred. Hams assigned to sweep and recovery vans should also have a mag mount antenna. Rest Stop may use handheld radios, but should have access to a mobile radio, along with sufficient batteries for your radio.

All volunteers will receive a volunteer t-shirt, food and beverages after the ride at finish area, and that warm fuzzy feeling you get from doing a good thing! Transportation back to the start will be provided for hams assigned to sweep and recovery vans.

Unfortunately, due to capacity limitations, volunteers are not permitted to attend the post ride lobster bake and concert without meeting the same $1550 fundraising goal of the riders, walkers, and runners.

This will be the second time Hams will be used for this event. Your participation in this event will help to ensure the safety of the riders and make this event a success.

If you can help with this event or have questions contact Jim Bradley, KB1JKJ at kb1jkj@..., with your Name, Callsign, E-Mail Address and T-Shirt Size?

# 173. MA Run of Charles

Yahoo group: PublicServiceEvents
Date: 2012-04-18 03:12:44 UTC
From: n1pyn
Topic: 173  Message: 173

The 2012 Run of the Charles races canoes and kayaks from Needham to Allston. Once again, we have been asked to provide safety and administrative communications for the 30th running of this exciting event on Sunday, 29 April.

There are nine dams that require portaging by the paddlers and other hazards to be monitored. All races finish at Artisani Park (across from the WBZ studio) on Soldiers Field Road in Allston. Assignment start times vary from 0700 to 1100 and should complete from 1000 to 1500, depending on location.

A 2-meter, 5 watt hand-held is satisfactory but a dual-band radio is preferred. An antenna, better than the "rubber duck" that came with your radio is essential. Be sure to charge your radio's battery and have enough battery backup to last the day.

If you are new to ham public service or have limited experience and want to support this event don't be concerned. Assignment difficulties vary and they can be based on experience. All hams, regardless of experience, are encouraged to volunteer for this event. For those who have done this before, your help is needed more than ever.

If you can help with the 2012 Run of the Charles on Sunday, 29 April, please reply with all of the following information as soon as possible. Email is the best method.

Full name
On-air name
Call sign
Postal mailing address (including 9-digit ZIP code)
Evening phone
Day phone
Cell phone
Email address
Does your 2-meter radio have CTCSS (PL)?
Do you have a dual-band radio?
Do you have a magnetic mount antenna?
T-shirt size

Your assistance is valuable. Please let me know promptly if you can help. Assignments and more details will be sent as soon as available. If you have already volunteered, bear with me and also reply to this message.

Don't hesitate to contact me if you have any questions.

Best Buddies Ride
Saturday June 2, 2012
All Day
(The next reminder for this event will be sent in 12 days, 3 minutes.)
Location: MA - Boston - Hyannisport

Notes:
The Best Buddies International is looking to recruit Ham radio operators to volunteer for the thirteenth annual Audi Best Buddies Challenge: Hyannis Port on Saturday, June 2, 2012.

Best Buddies Challenge: Hyannis Port consist of three bicycle rides; 100, 50, or 20-mile which wind through the New England countryside. The 100 mile ride goes from Boston to Hyannis Port, MA. The 50 and 20-mile routes are contained within the 100 route.

Assignments will be at five rest stops, in six sweep and recovery vans, and at Craigville Beach finish area in Hyannis Port. This is an all-day event; the 100 mile ride starts at 0730 and the route closes at 1630. Some assignments will start at 0630 depending on the assignment.

Due to the length of the route a mobile radio is preferred. Hams assigned to sweep and recovery vans should also have a mag mount antenna. Rest Stop may use handheld radios, but should have access to a mobile radio, along with sufficient batteries for your radio.

All volunteers will receive a volunteer t-shirt, food and beverages after the ride at finish area, and that warm fuzzy feeling you get from doing a good thing! Transportation back to the start will be provided for hams assigned to sweep and recovery vans.

Unfortunately, due to capacity limitations, volunteers are not permitted to attend the post ride lobster bake and concert without meeting the same $1550 fundraising goal of the riders, walkers, and runners.

This will be the second time Hams will be used for this event. Your participation in this event will help to ensure the safety of the riders and make this event a success.

If you can help with this event or have questions contact Jim Bradley, KB1JKJ at kb1jkj@..., with your Name, Callsign, E-Mail Address and T-Shirt Size?

CQ, CQ, CQ, N1DAC....

Do not weep when I am gone, I am not gone forever, long -
For when we all, will gather there - There'll be abundant room to spare - For amateurs who, in the past - Made friendships to forever last.
For in the ether, way up high, Such signals will forever fly,
And when the end on earth is nigh, I'll QSY into the sky,
So that, my friends I'll always keep - In spite of endless, earthly sleep.
So hasten not to do all things - On earth, with hurried earthly wings, There will be time to do much more - In heavenly state, in heavenly lore, Where QRM is never feared And heterodynes are seldom heard.
The songs of angels, ever sung On high, on some etheric rung,
Will modulate transmissions so - That ether winds will always blow -
Up to those aerials on high, For those who once on earth did fly.
This will be clear for all to see, whence from this earth, we are set free.
Those earthly signals which were passed, Made friendships which forever last,For radio waves must surely be - Forever, in eternity.

Sean was a Firefighter/EMT who had a passion for Emergency Communications in the Public Safety community as well as the Amateur Radio arena. Sean was a founding member Commonwealth REACT, whose members remain dedicated to community service.

73 my friend, we will miss you.

Seacoast Escape
Saturday August 18, 2012
12:00 am - 12:00 am
Location: NH - Stratham Hill Park

Notes:
We've been to the mountains...now let's go to the coast! This August ride features the beauty of New Hampshire's scenic, less-traveled roads as well as the bustling seaside roads...all from the comfort and quiet of your bicycle. Route options include 25 or 60 miles. This event has a family atmosphere and features a post-ride barbecue at the Start/Finish located at Stratham Hill Park in Stratham, NH.

Jimmy Fund Walk
Sunday September 9, 2012
12:00 am - 1:00 am
Location: MA - Boston

Notes:
The Jimmy Fund Walk is Sunday, September 9th. Hams are needed for the Buses and First Aid Stations. Times run from 5 AM to 7 PM. There are some half day assignments for the Morning. Everything is normally done by 7PM. This event is on the Boston Marathon Course but most of the activity is on the last half.This a great event for a new ham who wants to try out public serve. Every thing will be on 2 Meters. A good antenna for an HT with extra batteries is what is needed for the First Aid Stations. A mobile antenna is needed for the buses. Drop me an email (w3eve@...) if you can help. Please put Jimmy Fund in the subject. Give me a call or send an email if you have questions.

This is an early notification of our attempts of introducing amateur radio to an event. Harpoons Brewery to Brewery is a 148 mile charity ride from Boston, Ma. to Windsor, VT. on June 15th 2013.

The rides fundraising will benefit Team Psycho's Elite Development Program and the Kenary Brain Tumor Research Fund at the Dana Faber Cancer Institute. Donations are also made to the South Shore YMCA, Pan Mass Challenge, Boston Triathlon Team, Bay State Lacrosse, Paddle Power, and the Windsor 4-H Club.

We will need to fill many stationary and mobile route support teams and those who provide route support similar to some of the MS events we have grown to love. We are working out the exact details for possible reimbursement of volunteer fuel costs.

The route may be found below for your early consideration. Please respond to n1pyn at comcast dot net with your interest in the event or desire to receive updates for consideration.

Amateur Radio Operators -- for further information, contact Ralph Swick KD1SM.

For the fifth consecutive year the North Central Massachusetts Amateur Radio community is being asked again to provide logistics and emergency communication support for the 100-mile bicycle ride through the towns of Ayer, Harvard, Bolton, Berlin, Boylston, West Boylston, Clinton, Lancaster, Sterling, Leominster, Shirley, Groton, Townsend, Pepperell, Dunstable, Hollis NH, Amherst NH, and Nashua NH on Saturday, July 13. There are 18 to 20 positions, including both mobile and fixed locations for which rapid radio communication is advantageous and we place radio operators at as many of them as we can.

http://www.n1nc.org/Events/2013/Alz/ to view open spots to be filled.

This is next week... My error with the date.

From: n1pyn
Topic: 237  Message: 237

John, N2YHK is looking for a handful of hams to assist with the Massachusetts State Triathlon in Winchendon on Sun 7/14. It occurs from about 7:30am to 1pm (some assignments should secure as early as 10am, and most by Noon). The event is back to one day this year, which will be busy with 600 registered. The expanded course will continue, down into the center of Gardner. This means our communications plan will involve using a variety of systems on both 2m and 70cm, including deploying portable repeater systems. I will forward maps and details about the event to those signed up.

If you are interested, please send John an E-Mail.

Sunday September 8, 2013
12:00 am - 1:00 am
(GMT-08.00) Pacific Time (US & Canada)
Location: MA Boston

Notes:
The Jimmy Fund Walk is Sunday, September 8th. Hams are needed for the Buses and First Aid Stations. Times run from 5 AM to 7 PM. There are some half day assignments for the Morning. Everything is normally done by 7PM. This event is on the Boston Marathon Course but most of the activity is on the last half. This a great event for a new ham who wants to try out public serve. Every thing will be on 2 Meters. A good antenna for an HT with extra batteries is what is needed for the First Aid Stations. A mobile antenna is needed for the buses. Drop me an email (w3eve@...) if you can help. Please put Jimmy Fund in the subject. Give me a call or send an email if you have questions.

# 250. Moderator needed

Yahoo group: PublicServiceEvents
Date: 2013-09-22 19:49:36 UTC
From: <n1pyn@...>
Topic: 250  Message: 250

The 2013 Amateur Public Service Event season has been a busy one. There are many to choose from that will not only help prepare operators for potential EmCom operations, but the gratification of helping the served charity or just the camaraderie.

With a couple of events left for me, I am looking for replacement moderator for Public Service Events New England to prevent the groups termination. The moderator will have total control over any and All changes. I am involved in too many activities, many of them, including PSE, must end. If nobody steps forward, the group will simply be terminated. My plan is to greatly reduce the number of events (~30) I attend per year to focus on areas that need the attention. I hope to see you next year at a couple of events.

Head of Charles® Regatta
Friday October 18, 2013
12:00 am - 12:00 am
(GMT) Greenwich Mean Time - Dublin / Edinburgh / Lisbon / London
Location: MA: Head of the Charles® Regatta

Notes:
Well, its that time of year again& The Head of the Charles? Regatta is just around the corner& (63 days to be exact) Skip Farkas and I are Co-Chairing Emergency Services this year.

I hope you are having a safe and fun summer so far. I am sending this email to you today because you either have volunteered at The Head of the Charles? Regatta in Cambridge in the past, or for another Red Cross event throughout the years. Once again, The Head of the Charles? is partnering with the Red Cross to provide medical support throughout the regatta (this includes lifeguards, ham radio operators and first aid personnel). We are currently looking for volunteers to help staff this event. The event is Friday, October 18th, Saturday, October 19th, and Sunday, October 20th, 2013.

We are looking to staff 5 rescue boats with 1 ham radio operator and 1-2 lifeguards (on Friday) 13 rescue boats with 1 ham radio operator and 1-2 lifeguards per boat (on Saturday and Sunday).

We are also looking to staff 2 land first aid stations (on Friday) and 6-8 land first aid stations (on Saturday and Sunday). Each land station includes 3-4 HAMs and 10-12 first aid personnel (all ranges of certifications accepted  minimum first aid AND CPR).

The hours of the regatta are as follows for the Emergency Services Committee:

Friday, October 19th:
Water Based Stations: 10am-6pm
Land Based Stations: 12pm-6pm

Saturday, October 20th:
Water Based Stations: 5am-6pm
Land Based Stations: 6am-6pm

Sunday, October 21st:
Water Based Stations: 5am-6pm
Land Based Stations: 6am-6pm

(ALL ENDING TIMES ARE SUBJECT TO CHANGE)

Due to the manner of our responsibilities, we only accept full day shirts for our volunteers.

If you are available to volunteer and can commit to a shift, please visit http://www.hocr-volunteer.org/active/volunteer/ . In the comment section, please note what your current certifications are (HAM, Lifeguard, First Aid, First Responder, RN, EMT... etc).

If you have any questions or concerns, please feel free to email me. If you have any friends or associates (who are properly certified), and would be willing to help out, please forward this email to them. We are looking for as many volunteers as possible. This is a fun event, but requires a lot of support from Red Cross volunteers in order to make it a safe and successful weekend.

I hope to hear from you soon!

I hope you are having a safe and fun summer so far. I am sending this email to you today because you either have volunteered at The Head of the Charles? Regatta in Cambridge in the past, or for another Red Cross event throughout the years. Once again, The Head of the Charles? is partnering with the Red Cross to provide medical support throughout the regatta (this includes lifeguards, ham radio operators and first aid personnel). We are currently looking for volunteers to help staff this event. The event is Friday, October 18th, Saturday, October 19th, and Sunday, October 20th, 2013.

We are looking to staff 5 rescue boats with 1 ham radio operator and 1-2 lifeguards (on Friday) 13 rescue boats with 1 ham radio operator and 1-2 lifeguards per boat (on Saturday and Sunday).

We are also looking to staff 2 land first aid stations (on Friday) and 6-8 land first aid stations (on Saturday and Sunday). Each land station includes 3-4 HAMs and 10-12 first aid personnel (all ranges of certifications accepted  minimum first aid AND CPR).

The hours of the regatta are as follows for the Emergency Services Committee:

Friday, October 19th:
Water Based Stations: 10am-6pm
Land Based Stations: 12pm-6pm

Saturday, October 20th:
Water Based Stations: 5am-6pm
Land Based Stations: 6am-6pm

Sunday, October 21st:
Water Based Stations: 5am-6pm
Land Based Stations: 6am-6pm

(ALL ENDING TIMES ARE SUBJECT TO CHANGE)

Due to the manner of our responsibilities, we only accept full day shirts for our volunteers.

If you are available to volunteer and can commit to a shift, please visit http://www.hocr-volunteer.org/active/volunteer/ . In the comment section, please note what your current certifications are (HAM, Lifeguard, First Aid, First Responder, RN, EMT... etc).

If you have any questions or concerns, please feel free to email me. If you have any friends or associates (who are properly certified), and would be willing to help out, please forward this email to them. We are looking for as many volunteers as possible. This is a fun event, but requires a lot of support from Red Cross volunteers in order to make it a safe and successful weekend.

I hope to hear from you soon!

# 258. MA Ashland Half Marathon

Hams -- if interested contact David Wolfe at kg1h@mmra.org mailto:kg1h@mmra.org or dkwolfe@comcast.net mailto:dkwolfe@comcast.net

The Ashland Second Annual Half Marathon and 5K is set to take place at Marathon Park on Sunday, Oct. 27. Organized by the Ashland Sporting Association, the race is expected to have close to 1,000 runners this year.
The venue for the race holds deep historical significance to the town as it was the original starting point of the Boston Marathon from 1887 to 1923. The starting point was moved to Hopkinton in 1924 to comply with the Olympic standard marathon distance of 26.2 miles.

“We’re from a different era,” said Ashland Half Marathon & 5K organizing committee member Steve Flynn. “They might have the start of the marathon but we’ve got the beginning.”

Longtrail Brewing Co., Barefoot Wine, Ashland and Greater Lions Clubs are among the race’s 30-plus sponsors.

While the non-profit is not directly affiliated with any major charities, runners are welcome to run on behalf of any charity of their choice.

With this year’s race being the second of its kind for the town, the Ashland Half Marathon organizing committee is acting on many lessons learned from last year’s race.

“We’re trying to do what the runners want,” said Steve Greenberg, president of the Ashland Sporting Association.

The biggest change being made for this year’s race is that all runners will receive a medal at the finish line instead of having to wait for a medal ceremony at the end of the race. Half marathon runners will receive a gold medal while 5K runners will be given silver medals.

Celebrities from the running world are also expected to be part of the race. Like last year, four-time Boston and New York City Marathon winner Bill Rodgers, and the first woman to ever run in a marathon, Bobbi Gibb, will be attending this year’s race.

“It’s a fantastic event,” said Gibb.

The Ashland Sporting Association will use the money raised from the race to fund its next major project, to expand Marathon Park and build a year-round museum and function hall dedicated to Ashland’s marathon history and the overall history of long-distance running. The project is expected to be completed in the next 2 years, said Greenberg.

“We want to create open spaces,” said Flynn.

The Ashland Sporting Association is still looking for volunteers to help out during the race. Volunteer forms and further information is available at ashlandhalfmarathon.com/volunteer or call 508-641-1222.

Run of Charles
Sunday April 27, 2014
8:00 am - 8:30 am
(GMT-08.00) Pacific Time (US & Canada)
Location: MA Boston

Notes:
On Sunday, 27 April, the 26 mile Run of the Charles Canoe and Kayak race offers a more humane (temperate) opportunity for Amateur Radio Public Service. Brett Smith, AB1RL, from the Boston Area Radio Club is requesting help to roust up a few more good hams to help. Any level of experience is fine.

To volunteer or if you have questions contact Brett at: ab1rl@...

The Run of the Charles is one of the most unique public service events for hams each year. Its a canoe and kayak race that offers a variety of formats (from individual to group and relay runs) and course lengths. Thanks to this variety, it draws all kinds of participants, and they rely on us to help keep the event running safely and smoothly.

This years Run of the Charles is on Sunday, April 27, with the first check-in at 8:30 AM. The full 26-mile course runs from Riverdale Park in Dedham down to Artesani Park in Brighton. Assignment start and end times vary by location. Since the CRWA relies on hams for all kinds of logistics, from on-site check-ins to rules infractions, theres a position for volunteers at any experience level. For more information, visit the race Web site.

Volunteers for this event must have a dual-band (2m and 70cm) handheld radio and an antenna with improved gain over the stock rubber duck. These are necessary because many volunteer sites are low-lying areas where it can be a challenge to reach repeaters. If you can help, please write back with the following information:

* Your call sign, full name, and name you prefer on the air
* Contact information: your e-mail address, postal address, and phone numbers where you can be reached (cell, home, office)
* The transmit band(s) of your radio(s), and other equipment you could bring. Start sites that accept new registrations could benefit from a larger setupthink 10W+ and an antenna like a magmount or better. If youre able and willing to bring that extra equipment, please let me know.
* Your shirt size
* Do you have any needs or requests we should consider when making your assignment?

If you have questions about the run, please contact Brett by e-mail or phone (859) 466 5915.

Groton Race
Sunday April 27, 2014
7:00 am - 2:00 pm
(GMT-08.00) Pacific Time (US & Canada)
Location: MA Groton

Notes:
To: Recent Groton Road Race Volunteers, NVARC, and MARA Members

Greetings all. Now that Spring is here (or so we've been told) I know you are eager to start Public Service season. The first major event for NVARC and our friends is the Groton Road Race.

The 2014 Groton Road Race will be held on Sunday, April 27. Again this year I am not anticipating significant changes from the past several years. If you want reminders of how the event ran in previous years, please see the NVARC Public Service Events page [1].

We have quite a few new Hams in the past 11 months. Congratulations to all of you. As you know from your exam study materials, contributing to the public good is one of the reasons Amateur Radio exists. Our public service events are a key opportunity for us to show our colors, volunteer our skills and equipment, and demonstrate why it is in the public's interest to continue to allocate precious RF spectrum to our the Amateur Radio Service.

If you are interested in helping at these events but unsure of what is expected of you or what equipment you may need, please ask me. If I make you nervous, you can also talk with Stan KD1LE or John KK1X.

The Squannacook River Runners and the Groton Police Department repeatedly praise and express their appreciation for your assistance in providing communications for this event. I do hope you will be able to join us this year; please let me know. ralph@...

Thanks and 73,
-Ralph

Brain Tumor Ride
Sunday May 18, 2014
9:00 am - 2:00 pm
(GMT-08.00) Pacific Time (US & Canada)
Location: MA Waltham

Notes:
The National Brain Tumor Society is planning big changes for their 2014 Boston fundraising bike ride. Theyre adding a new Metric Century route (100km/62mi long), as well as adjusting other routes. New and modified routes always require more communications support, and theyre asking for amateur radio volunteers to step up our efforts from past years.
The ride takes place on Sunday, May 18, starting from 200 West Street in Waltham. The first wave of riders take off at 8:00 AM. Volunteers will work from 7:00 AM until the early afternoon, with lunch provided.
Jim Bradley, KB1JKJ, is organizing the hams for this event. To volunteer, please write him with the following information:
" Your call sign, full name, and name you prefer on the air
" Contact information: your e-mail address, postal address, and phone numbers where you can be reached (cell, home, office)
" Your shirt size
" The transmit band(s) of your radio(s), and other equipment you could bring
" Do you have any needs or requests we should consider when making your assignment?
Jim can also answer any questions you have about the event.
Thanks for volunteering, and 73,

Hunger Walk
Sunday May 4, 2014
6:30 pm - 7:00 pm
(GMT-08.00) Pacific Time (US & Canada)
Location: MA Boston

Notes:
This is for Boston, MA area hams. It is time for Round two. I would like to thank those that signed up already, but we still need a few more.

We are now looking for help for this years Project Bread Walk for Hunger on Sunday, May 4th, 2014.

This will be the 46th running of the event. We need people to provide communications support for the Project Bread Staff and volunteers along the 20 mile walk.

We are covering the Bus Communications as well, as a few key people on the route to see if we can track the transportation of walkers better this year.

If you are interested in helping out this year, go to http://www.mmra.org/wfh/ to log in and fill out the signup form.

If you have questions please send an email to: wfh14@...

From: n1pyn@...

Hi All,

The Best Buddies International is looking to recruit Ham radio operators to volunteer for the fifteenth annual Best Buddies Challenge: Hyannis Port on Saturday, May 31, 2014.

Best Buddies Challenge: Hyannis Port consist of three bicycle rides; 100, 50, or 20-mile which wind through the New England countryside. The 100 mile ride goes from Boston to Hyannis Port, MA. The 50 and 20-mile routes are contained within the 100 route.

Assignments will be at five rest stops, in six sweep and recovery vans, and at Craigville Beach finish area in Hyannis Port. This is an all-day event; the 100 mile ride starts at 0730 and the route closes at 1630. Some assignments will start at 0630 depending on the assignment.

Due to the length of the route a mobile radio is preferred. Hams assigned to sweep and recovery vans should also have a mag mount antenna. Rest Stop may use handheld radios, but should have access to a mobile radio, along with sufficient batteries for your radio.

All volunteers will receive a volunteer t-shirt, food and beverages after the ride at finish area, and that warm fuzzy feeling you get from doing a good thing! Transportation back to the start will be provided for hams assigned to sweep and recovery vans.

Unfortunately, due to capacity limitations, volunteers are not permitted to attend the post ride lobster bake and concert without meeting the same $1550 fundraising goal of the riders, walkers, and runners.

This will be the fourth time Hams will be used for this event. Your participation in this event will help to ensure the safety of the riders and make this event a success.

If you can help with this event or have questions contact Jim Bradley, KB1JKJ at kb1jkj@arrl.net mailto:kb1jkj@arrl.net, with your Name, Callsign, E-Mail Address and T-Shirt Size?
